Petitioner,

v.

RYDER TRUCK RENTAL, INC.
Respondent

Case Nos.: I-00-10283
I-00-10422

ORDER DISMISSING CASE

On July 13, 2001, I issued an order requiring the Government to file a brief addressing certain legal and factual issues concerning service of the Notices of Infraction upon the Respondent in this and other similar cases. As explained in that order, the record in each such case shows that the address used by the Government for service is not the Respondent's current address, and raises the question whether the Government has met its burden of demonstrating proper service.

On August 14, 2001, the Government filed a request to dismiss this and the other cases without prejudice because it "is unable to resolve discrepancies concerning the Respondents' addresses." The Government's motion will be granted, as there is now insufficient evidence of proper service.

Accordingly, it is, this _____ day of _____, 2001:

ORDERED, that this case is **DISMISSED WITHOUT PREJUDICE**; and it is further

ORDERED, that this Order shall not be served upon the Respondent due to the lack of a current address for it.
